Docket No.: PORT012

Sir:

PETITION FOR REVIVAL PURSUANT TO § 700.7.1103(c)

In answer to the Notification of Abandonment dated July 1, 1998, Applicant respectfully petitions the Patent Office to revive the present application pursuant to 700.7.1103(c). In support of this Petition, Applicant encloses the following papers providing a paper trail of correspondence with the Patent Office:

- 1) A copy of the Transmittal Letter and the Patent Office receipt stamp dated December 17, 1996;
- 2) Our letter dated 30 January 1997 enclosing a copy of the signed Declaration and Power of Attorney and Verified Small Entity Statement;
- 3) Our letter dated 16 May 1997 enclosing a copy of claims 1-13 to overcome the objection that "the translation is defective in that the number of claims in the International Application and the number of claims in the translation are not the same"; a Declaration and Power of Attorney signed by the inventor; a Verified Small Entity Statement; an Assignment document, and the necessary processing fees of \$65.00 and \$40.00, a total of \$105.00 along with a return of Form PCT/DO/EO/905 and Form PCT/DO/EO/913, and the Patent Office receipt stamp dated May 16, 1997;
- 4) A copy of our FAX transmission to Lawan Fletcher dated 16 July 1997 enclosing a copy of the signed covering letter requested.

It was believed that the application was therefore in good standing, and it was with surprise that we received Form PCT/DO/EO/909 advising that this application was abandoned for failure to reply to Form PCT/DO/EO/910 which was allegedly mailed 03 Feb 98. We did not receive that FORM which was said to have been mailed 03 Feb 98.

To establish that we did not receive said form, we wish to advise you that the docketing procedure at our Office is as follows:

When a report from a Patent Office is received, it is hand written on a green card, and a "bring forward" date noted on that card as well as on the file cover. A copy of the outside cover of the file folder and of the green card is attached.

It will be noted that the requirement to file missing parts was noted as being brought forward to June 16/97. The notation to bring forward of 16 Dec 1997 was to file the Information Disclosure Statement (IDS) which was done on 16 Mar 98, and the card was taken "out of diary".

It will also be noted that there was NO entry referring to a Notification of Defective Response received in Feb 1998, for which a "bring forward" date in April 1998 would have been entered.

From these facts, it is clear that Form PCT/DO/EO/910 mailed 03 Feb 98 was never received by this Office.

Accordingly, it is submitted that this Petition should be granted.

Respectfully

HELMUT KUBISIAK
